Payments are processed once a month on the 5th of each month. Statements will be mailed out quarterly. If your credit card expires or changes during the monthly payment period, it is your responsibility to inform Network TwentyOne. Updates to your credit card on n21.com does not update your Lifestyle account.

A non-refundable \$150 per person deposit will be charged immediately upon receipt of registration. Monthly payment schedule will begin August 5, 2019 and conclude on March 5, 2021. The monthly payment amount will be determined based on the package and additional add-ons selected. IBOs who register after the payment schedule begins can choose to pay the “catch up” amount or divide the balance equally among the remaining months.

If payments are not made within 15 calendar days of the payment date, Network TwentyOne has the right to cancel your registration and cancellation fees will apply. This grace period does not apply to the final payment, which must be paid on time.

• TRAVEL INSURANCE •

Network TwentyOne strongly recommends purchasing travel insurance through a provider such as Travel Guard to recoup funds should you have to cancel your trip for any reason including illness, work conflicts, or other reasons outside of your control. There is usually a 30-day deadline from the time of booking your trip to be eligible for travel insurance.
